PROFILE

Information Science Engineering graduate with expertise in full-stack development and backend technologies. Proficient in building scalable applications using Node.js, TypeScript, and modern web frameworks.

EDUCATION

Bachelor of Engineering in Information Science

Basaveshwar Engineering College, Bagalkot, Karnataka

Visvesvaraya Technological University

Graduation: July 2024 | CGPA: 6.67/10

Pre-University Education (Class XII)

Konnur PU College, Yallati, Jamkhandi

Karnataka Pre-University Education Board

Year of Completion: March 2018 | Percentage: 79.50%

Secondary Education (Class X)

P.P.E.A. High School, Rampur, Jamkhandi

Karnataka Secondary Education Examination Board

Year of Completion: April 2016 | Percentage: 71.68%

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript, Rust

Frontend Development: HTML5, CSS3, Angular Framework, Bootstrap, SASS, RxJS, Embedded JavaScript (EJS)

Backend Development: Node.js, Express.js, RESTful API Development, GraphQL, Socket.IO

Database Management: MongoDB, PostgreSQL, Redis

Cloud Computing & DevOps: Amazon Web Services (AWS), Docker Containerization

Development Tools & Version Control: Git, GitHub, Postman API Testing, JSON Web Tokens (JWT)

Operating Systems: Linux, Microsoft Windows

EXPERIENCE

Software Development Intern

Thingtechno Systems Pvt Ltd, India | July 2023 - August 2023

- Developed and optimized backend APIs using Node.js, improving application performance and efficiency
- Designed advanced routing functionalities enhancing system usability and user experience

PROJECTS

Student Proctoring System

Technologies: Node.js, Express.js, MongoDB, Bootstrap, JavaScript, EJS

- Built academic management system with role-based access control and secure authentication

- Implemented performance tracking and counseling management for student progress monitoring

Real-Time Chat Application

Technologies: Node.js, Express.js, TypeScript, MongoDB, Socket.IO, Angular, SCSS

- Built real-time messaging platform with group chat, direct messaging, and JWT-based authentication
- Developed responsive UI with WebSocket technology for instantaneous bi-directional communication

ADDITIONAL INFORMATION

Languages: English (Fluent), Hindi (Fluent), Kannada (Native/Fluent)

Professional Attributes:

- Strong analytical and problem-solving capabilities
- Excellent team collaboration and communication skills
- Quick learner with adaptability to new technologies and frameworks
- Detail-oriented approach to code quality and documentation
- Passionate about continuous learning and professional development
